

CHAMPAGNE

Alain Vesselle

PROPRIETAIRE - RÉCOLTANT

The Vesselle family has been settled for several generations in Bouzy, the famous Grand Cru situated on the Montagne de Reims. After Alain and then Eloi, GUILLAUME VESSELLE took over the family vineyard which stretches over 18 hectares. Guillaume grew up in Bouzy where since 1885 his ancestors had always been dedicated to the cultivation of the vineyard and the production of champagne wines. Guillaume has evolved with and around this family savoir-faire. Heritage and family traditions meet in the cuvées created with their names: Alain, Eloi, Guillaume and his two brothers Antoine and Thibaud.
